*THE BASIS OF A CODE OF ETHICS IN RIDING THERAPY  
– EXPERIENCES OF VALUES OF FINNISH RIDING  
THERAPISTS IN THEIR CLINICAL WORK*

*ABSTRACT OF A SCHOLARLY THESIS IN A DEGREE PROGRAMME IN RIDING THERAPY  
(52 PAGES), YPÄJÄ EQUINE COLLEGE, DECEMBER 2006*

*Key words: riding therapy, ethics, professional ethics, code of ethics*

The purpose of this thesis is to clarify values of Finnish riding therapists in their practical work. Results may be used in aid to establish the code of ethics of Finnish riding therapy by the Finnish Riding Therapy Association. Thesis is also directed to the Finnish riding therapy students and professionals to give depth to the implementation of clinical work and to awaken to the consideration of ethics in therapy.
